

NOTICE OF NON CONSENT

To the proposed Australian government legislation planned for 2023 for mandatory mRNA vaccination of all livestock; And to the supply of mRNA jabbed livestock, mRNA contaminated dairy, meats & GM plant based produce.

NO to contaminated foods

NO to GM food sources

NO to mRNA jabbed livestock

YES to **CLEAN** food sources

YES to **Organic GM free** food sources

YES to **mRNA jab free** livestock

(Optional)

YOUR NAME _____

YOUR CONTACT # _____

YOUR EMAIL _____

I require, want and demand;

Organic, Non GM, Non mRNA jabbed, clean foods (meat, dairy, fish, plant based produce)

I say **NO** to and do not consent to contaminated, GM or mRNA jabbed food sources

They are dangerous and life threatening

You should or need to know this

mRNA, where inserted into the host, alters the host's genetic material, as it does to anything that consumes it
